

Machine learning worksheet 3

Answer no. 1) D

Answer no. 2) D

Answer no. 3) C

Answer no. 4) C

Answer no. 5) D

Answer no. 6) C

Answer no. 7) D

Answer no. 8) A

Answer no. 9) B

Answer no. 10) A

Answer no. 11) D

Answer no. 12) A

Answer no. 13) Clustering is important in data analysis and data mining and it determines intrinsic grouping among the unlabelled data.
